NOW HIRING!

Utah Conservation Corps
Accessibility Survey Crew

Work on a 2-person crew to increase accessibility for all to Salt Lake City Open Space areas. Our 2019 Summer Survey Crew will complete surveys on trails, parks and open spaces around Salt Lake. The purpose of the survey is to evaluate whether facilities can be made more accessible to individuals with physical disabilities. This position will involve travel, working in the outdoors, and returning to the Salt Lake area every night. Reasonable accommodations provided, including adaptive equipment. A full job description is available on our website.

Program funded by the Christopher & Dana Reeve Foundation - Individuals with spinal cord injuries are encouraged to apply!

Members must have a:

· love for the outdoors and inclusive outdoor recreation
· commitment to service and disability rights
· be able to travel, work long hours, and return to Salt Lake daily
· collect and enter accurate measurements into a national database

Dates: FLEXIBLE - Must start by August 2019
Schedule: Variable, Full-Time
Compensation: AmeriCorps Living Allowance + Education Award
